

## **LLA Pool Parties and Party Rental**

Lake Linganore Association (LLA) members and associate pool members can use any of the Eaglehead pools for birthday or other parties. Parties can be held during regular operating pool hours, afterhours (Coldstream Pool only, limited times), or enjoy private party hours (limited days).

### Parties During Regular Pool Hours

Any party of more than 10 guests must make reservations through the LLA office.

It is recommended that parties of under 10 scheduled for late in the day should contact the LLA office a few days in advance to reserve picnic tables, if needed.

Members and associate members are reminded that pool facilities during regular operating hours need to be able to accommodate the general membership. It is requested that parties during this time be limited in number.

### Private Party Hours

Each pool in the community is closed one day out the week for maintenance purposes. The facilities are available for party rentals beginning at noon. Availability is as follows:

Mondays- Summerfield Pool, available from noon until 9 pm

Tuesdays- Coldstream Pool, available from noon until 9 pm

Wednesdays- West Winds Pool, available from noon until 9 pm
